

Get the latest information about how Penn State Health is responding to COVID-19 screening and the vaccine

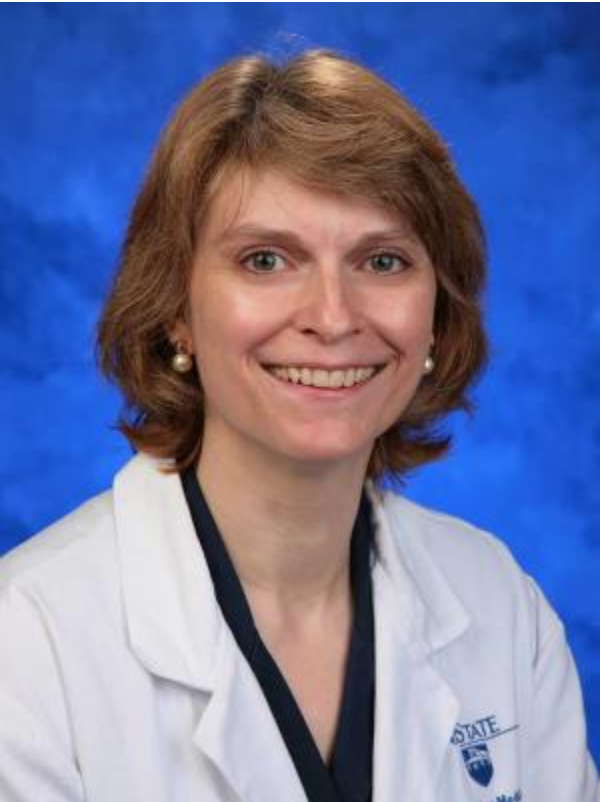

We are experiencing extremely high call volume related to COVID-19 vaccine interest. Please understand that our phone lines must be clear for people with urgent and acute medical care needs. We are unable to accept phone calls to schedule COVID-19 vaccinations at this time. When this changes, we will update this website.

About Me

Dr. Rogers attended Cornell University, and Cornell University Medical College. She completed an internship and residency at St. Luke's-Roosevelt Hospital Center in New York City, where she was later named Director of the General Surgery Residency Program. She spent an additional year in fellowship training in Minimally Invasive and Bariatric Surgery at the Penn State Health Milton S. Hershey Medical Center, and now directs the Surgical Weight Loss Program.
